

Beating Bartonella Color Fun Run

Awareness, Prevention, and Research

NOV 3, 2018

BEATING

BARTONELLA

COLOR FUN RUN

Join us on November 3rd to help Beat Bartonella!

Louisiana One Health in Action's "Beating Bartonella Color Fun Run/Walk" will take place in Sulphur, LA on One Health Day, November 3rd at The Grove. This 3K color run/walk is an effort to raise awareness about Bartonella, and the ways it can be transmitted and prevented both in our animals and in human health. We are honored to support The Bartonella Project at North Carolina State University. All proceeds will go toward Bartonella research and improved testing and treatment. Early registration ends October 13, so register today!

Register for the color run at:

<https://runsignup.com/Race/LA/Sulphur/BeatingBartonellaColorFunRun>

If you are unable to attend, don't worry! You can still celebrate One Health Day with us!

We are also having a VIRTUAL 3k that you can participate in as well.

Register for the virtual run at:

<https://runsignup.com/Race/LA/YourCity/VirtualBeatingBartonellaFunRunWalk>
